To Whomsoever it may concern,

This is to confirm that Jia Tulsiani has completed a three-week internship with us from 8th July 2025 to 26th July 2025 at Digitactix Pvt Ltd, a digital marketing agency.

Although her time here was short, Jia made a strong impression on our team. She approached every task with energy and curiosity. She helped us on campaigns where she showed a fresh perspective while the team brainstormed for social media ideas for in campaign research.

What really impressed me was that she was always willing to learn and she consistently looked to add value.

We have no doubt that her drive and attitude will help her succeed in whatever field she chooses. We wish her all the best for all her future endeavours.
